

Northeastern

Name: _____

Date of Birth: _____

NUID: _____

Name of homeschooler's association (if applicable): _____

Please provide any information regarding the applicant's home school experience and environment that may be helpful during the review process, including the philosophy of homeschool education:

Who supervised the majority the applicant's homeschool education? What was their role?

Please outline each course you took through your homeschool process, including elements such as *textbooks, grading system/methods of evaluation, duration of course*:

If you completed any distance learning, traditional secondary school, or higher education coursework not included on the transcript, please provide the following:

- Course title and content
- Sponsoring institution
- Instructional setting and schedule
- Frequency of interactions with instructors and fellow students (once per day, week, etc.)

Please report any scores from testing beyond what is collected in the Common Application:

If activities and clubs from your local school were available for participation, please provide additional details regarding your involvement.
